

ANNUAL REPORT

Amma says, "Gaining mastery over the mind is the real education. So we offer the unique combination of latest education blended with traditional Indian values.

The presentation of the Annual Report is an enduring tradition to take time to pause, turn around to look at the fruitful year gone by, achieving both the expected and unexpected, while setting various milestones and then synergizing ourselves to move ahead to face the challenges in the coming year, with a positive attitude.

ACADEMICS

This year there was a major churning or revamp of the curriculum, teaching methodology and textbooks to match with the current standard of learning online due to the Pandemic. The subject enrichment activities help to enhance the creativity and collaborative skills of the students through projects and group presentations.

From September, Assembly was made more meaningful with different themes, more emphasis on languages and 1 question in a day to increase the knowledge base of the students. Best class and best Assembly trophies are also given to encourage the students to put the best foot forward. Everyday we have guided meditation to prepare them for the day, during the assembly and bhajans on every Saturday.

Chapter wise tests are conducted after completion of each chapter to reduce the overload of studying at the end of term and for teachers to ensure the understanding level of the student. Students were also taken to different places like pilikula science centre, Fire Station, Soap factory for field trips to enhance their practical knowledge and understand the nature.

Integrated coaching and foundation course in Science and Maths during school hours is provided to students of Std 9 and 10 to enhance the students' subject proficiency and train them for national level competitive exams like JEE and NEET.

Students extended their boundaries of learning by participating in various Interschool competitions and emerged victorious in different competitions.

Spell Bee competitions were conducted for the students wherein the students memorize the spellings of words and recite them accordingly.

PARENT TEACHER MEETS:

of parents in the teaching learning process. Regular periodic communication between the school and the parents is done. PTM's are held regularly to discuss the progress of the students.

TEACHERS WORKSHOP:

Students as Value ambassadors : Few students of senior classes are selected as ambassadors .These students go to the lower classes and speak about the values to the students .These Value ambassadors speak on the topics which they feel needs to be addressed immediately like Discipline, Cleanliness, Patriotism, Honesty etc .

Teachers as Value Ambassador:

Being the apprentices of values, teachers look forward for a value enriched society and inculcate the same in the little hearts.. It aimed to bring a change in the students.

Temple Bhajan

Bhajans are often associated with deeply religious sentiments. Every month students of Amrita Vidyalayam visit a temple and sing bhajans . They also learn the history of the temple.

Talk on leaders

Weekly Once Student speaks on any of their favourite leader in the assembly .The talk makes both the speaker as well as the listener aware of the sacrifice and their vision towards making our nation a great place to live.

Handful of rice and heartfelt of love

To engrave the importance of sacrifices and to empathize with the needy we ask the students to bring handful of rice and fistful of dal on every friday. Every month the grains and dal is distributed to orphanages, old age homes and poor families.

NEW INITIATIVES

- Centre for culture and excellence was inaugurated in the month of October. Eminent educationists and prominent, successful personalities of the city are invited to give a talk to the students and share their experiences on culture and excellence.
- Our students enacted Street plays to create awareness amongst the citizens regarding problems and issues we are facing as a county in various locations of the city.
- Value education classes is conducted in the open air on the lines of our age old system of Gurukulas. This helped them to appreciate and learn from the nature.
- We also had a Swachhta Rally- The Cleanliness drive to Gandhi Park .
- We started English club, Quiz club and Science club under the able guidance of subject teachers
